Note from Carol:

My adventure with the computer started 6 years ago when I first learned how to use a "mouse" this experience was daunting—little did I know at the first touch of the keyboard and more trials and errors than I care to mention, the computer would become a "must have" and now my laptop is my new best friend!!! Together we connect to the world while at home, in my office, at the airport, while waiting for the gavel to fall at an auction or while sitting in Starbucks over my favorite grande latte. What about you—are you connected?

Newsletter to go Paperless:

Starting in May 2009, this newsletter will be posted exclusively on our website, www.missouriantiquemalls.com. If we have your email address, you will continue to receive a copy of the newsletter by email every month. If we don't have your email address, please visit the website and click on the CONTACT US link at the top of the page. In the body of the email, please tell us your name, the store where you rent, and your main booth/case number. We will take care of the rest. Or, you can simply look at the newsletter on the website along with our 2009 event calendar, eBay link to our current auctions and the store location map. *All there is to know just a click away.* As the months proceed we will add to our website our "Did you Know" column and just some news we think you would want to know.

For those of you who don't have internet—there will be a limited amount of newsletters available at your store.

*Special "Rent" offers will be emailed
and not available on the website.*

*So—sign up your email address today
to receive the newsletter.*

**Remember stay positive!
To the month ahead sell, sell, sell
and sell some more!!!**
